HELP US LEND A HAND
(OR A PAW!)

From now until December 13th our hospital will be serving as a drop off location for all non-perishable human food items as well as unopened dry and wet pet food.

Food is a human right and is an immediate and tangible way to help someone. Join us as we partner with Purina Pro Plan Veterinary Diets to help stock our local food pantries.

For every pound of food we raise, Purina will match with pet food for our local pantry. Help us reach our goal of 400lbs!

**Drop offs can be made at:
Sycamore Veterinary Hospital
228 N. Sycamore St
Newtown, PA 18940**
